to love
 there comes a time
 when a person can tell her true friend,
 a friend who will be there when you need her,
 to stand not behind her or in front of her,
 but beside her, to help her along the way,
 a friend who knows what you are thinking and why
 you are thinking that way, even before you utter
 a word,
 a true friend is hard to find
 saying you're a friend and being one is very
 different, for not everyone is willing to give of
 herself,
 yes, a friend is someone very special,
 someone you grow with and not grow out of,
 a friend is everlasting

I Shrunk!

Tick-Tock!

Groovy!

To the Class of 1980:

To you we leave the memories of yesterday's dreams —
The hope of a future.

To you we leave the experiences and the tears —
The dream of a better world.

Take those dreams — and make them a reality.

Take our sadness — and change it into joy.

Take our today — and make it your tomorrow.

Take our moments' laughs — and share them forever.
for

To you we give our tears — for it is hard to say good-bye.

To you we give our success — for it is you who have helped us
gain it.

And to you we give our hearts — for you have taught us that love
goes on . . .

Even though we must go our own ways.

The Seniors of 1980 leave this Legacy as did the Seniors of '75, as a hope
for years to come, as a dream of future goal, and as a memory of the
laughs, tears, and dreams they shared in Bishop Kearney High School.

A large graphic of a pyramid composed of the word 'SENIORS' repeated many times, set against a dark background with a starburst effect on the left.

Kearney's newspaper, the award-winning TRUMPET, has succeeded in continuing its reputation for excellence in journalism. Our girls were lead into new heights of literary achievement by editor, Patricia Caputo, and moderator, Miss Radigan. The TRUMPET staff, throughout the school year, kept on top of current issues. Everyday, the rustle of papers could be heard outside the pressroom.

PASS THE WORD

Through THE WORD, Kearney's literary magazine, the girls exhibited their creativity. THE WORD contained poems, short stories, essays, and other original literary works. Led by moderator, Sister Anna Marie Macklin, and editor, Elizabeth Freytag, the girls were encouraged to express themselves freely. The staff has worked hard to make THE WORD an outstanding literary magazine.

Members of THE WORD with Sister Anna Marie Macklin, moderator.

HIT THE BOOKS!

The Inner Circle is a club which encourages the students to show an interest in library activities. Under the guidance of Sister Jean Timothy and Sister Miriam Immaculate, the girls worked hard to keep the library running smoothly and in pleasant order.

$$2 + 2 = 22$$

The Bishop Kearney Math Team, under the guidance of Miss Razza, consisted of approximately twenty girls. These girls took four tests during the school year, in which they competed against other high schools. The Math Team's success on these tests proved that Kearney was, and always will be, #1!

CHECK-MATE

Where can we go to play? Sister Elizabeth Graham has found the answer. As moderator of the Board Games Club, Sister has given many girls a chance to meet after school hours and enjoy their favorite games of skill and strategy.

SPEAK UP

Patricia Capuro and moderator Mr. John Zuhlke, have worked hard with the girls to make Bishop Kearney's Forensics Team one of the best in Brooklyn. During the speech season, many of the girls have done well, and have won many trophies. In the future, we are sure that the Forensics Team will continue to maintain the level of excellence that they have achieved.

SMILE YOU'RE ON CANDID CAMERA

Pictures, Pictures, Pictures—that's what the Photography Club is all about. The girls, with the guidance of Sister Margarit Therese, have captured many breathtaking events in still life. In addition to this, the girls were involved in developing their own film, thus giving them a chance to learn more about the art of photography.

HIT THAT NOTE

SING SING A SONG

Bishop Kearney's Glee Club consisted of a group of talented young women. Under the guidance of Sister Clare Cecilia, moderator, the girls have spread happiness to everyone. Throughout the school year, the girls have attended assemblies and masses to strike up a joyful note. The chorus has also brought their harmony outside of the Kearney community by singing at the Augustana Home and St. Anthanasius. It is easy to see that the Bishop Kearney Glee Club is a pretty sharp group.

LET'S TALK

"I", am the first person I want to know. "You" are the person I want to understand. IFEE deals with a group of girls coming together to talk about themselves and others. The Core Group are trained peer group leaders who have held several rap sessions during and after school. With the assistance of Sister Maureen Keating and Mrs. Gonzalez, they met every Monday afternoon to talk and open new doors to the world around them. Recently, a new IFEE has been formed. They will not just replace old IFEE, but they will continue to find the answers.

CIAO . . . HOLA . . . BONJOUR.

The members of the Language Club, along with Sister Josephine Barbiere, have done many things to enrich their knowledge of different cultures. They have written to pen pals, gone to restaurants, and gone on other outings. Not only have they learned about other people and their cultures, they have shown them the culture we live in today.

UP ON YOUR TOES

Members of Baller Club with Miss Shannon, moderator.

ROCK YOUR BODY

A KEY TO THE NEEDY

Helping the aged, the mentally retarded, and other needy people are the main goals of the Key Club. Sponsored by Bay Ridge Narrows Club, with the assistance of Sister Virginia Lake, the girls are able to lend a helping hand to all who need it.

I AM WOMAN

The Christian Awakening group, moderated by Sister Louise, consisted of approximately ten girls. The purpose of the club was to help lead the girls to a deeper awareness of what it is to be a Christian woman.

LIVE IN GOD

Members of the Prayer Group with Sister Marie Sullivan.

LOOK AT THAT SKYLINE!

"I love New York" - that's the motto of Bishop Kearney's new club, the Manhattan Club. Sister Stella Auricchio and Mr. Palmeri, with approximately fifteen girls, toured Manhattan. They have gone to different restaurants in the city, have seen ballers, and have marveled at the sights. This club has hopefully enriched the girls' appreciation of the wonderful city of Manhattan.

THIS WAY PLEASE

"May I help You?" "This way please." "Would you like a program?" These are just a few welcoming gestures one would hear while attending a special function. Bishop Kearney's Ushers Club with Sister Virginia Lake as moderator, consisted of a group of girls willing to go out of their way to be courteous to patrons of the arts.

TAKE ME TO YOUR LEADER

... a Bishop Kearney leader that is! Led by Mrs. Natale, these helpful girls were a boon to our gym classes. This inspiring gym-leader group of Seniors assisted the gym teachers in conducting classes. They kept everyone hopping-at least in the gym.

B.K. ROWDIES

This year we were proud to add a new club to Kearney's long list of activities-The Riot Squad. Toni Kasprzak, School Athletic Chairman, with her year chairmen, founded this club. The members attended athletic competitions throughout the year to show their support of the teams.

LET'S TUNE UP

The Guitar Club, under the direction of Mrs. Gonzalez, enhanced many of Kearney's religious celebrations with their exceptional talents. They have not only participated in these events, but have also shared their gifts with others.

Members of the Folk Group with Mrs. Gonzalez, moderator.

KNOCK THOSE PINS DOWN

Monday bowling with moderator, Sister Barbara Duckbee.

Avenue M Lanes is where the action took place for Bishop Kearney bowlers. Meeting once a week on Monday and Wednesday, the girls shared an afternoon of fun and competition. They were cheered on by Sr. Barbara Duckbee and Sr. Mary Annette, the moderators. The girls' efforts and sportsmanship come to fruition at the end of the school year when they were awarded for their accomplishments.

THE ACADEMIC ELITE

Members of the N.H.S. with Sr. Patricia Heiser, moderator.

Members of the N.B.H.S. with Sr. Joan Gavigan, moderator.

A young girl must have **scholarship** if she is to succeed in today's ever-expanding world of knowledge. She must have the **leadership** to cope with the awesome power of the world and learn how to mold it for the greatest good of man. She must have **character** in order to come to terms with herself and to find her place in the future.

Lastly, she must have the initiative to inspire others by her actions. These are the principles which N.H.S. members incorporate into their lives.

THERE'S THE CAPITOL

"Mr. President; May I make a suggestion on . . . " asked a Kearneyite on her visit to the White House. The Close-up Club, with Ms. Loffredo, shared an exciting week in the Nation's Capital. They attended meetings and conferences with the most important U.S. personnel. They were even able to ask questions. So . . . "Mr. Senator, How do you feel on . . . "

HOLLYWOOD HERE WE COME

Lights, Camera, Action!! Who could it be? Hollywood in New York? Close! It's our B.K. Drama Club. You'd never guess it because our girls and the boys from Xaverian have surely been able to fool many audiences by their great performances. Along with the help of Mr. Reibaldi, moderator, these great actresses are on their way to becoming "stars".

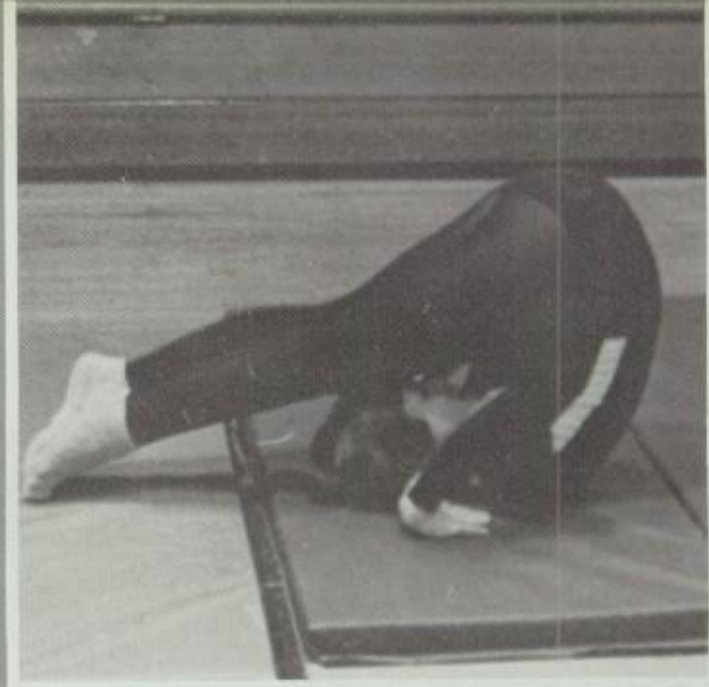

RUN FOR YOUR LIFE

... and the race begins!! Almost every weekday morning, you saw our track team speeding its way through the traffic of girls on the streets. Under the direction of Ms. Hynes, moderator, the girls gave all their effort and "leg power" for the race to victory.

KEEP TUMBLING

"And one and two and stretch those toes and three and four and get those legs up and . . ." said Ms. Hynes to her active gymnasts. Practicing every day, the girls have learned to perform extraordinary feats with just a rumble of their body . . . "And five and six and reach the floor . . ."

Gymnastics Team with Ms. Hynes, moderator

IT'S A FLYING FISH

"WOW!! Look at that 'fish' go!! It just so happens that 'that fish' is a Kearney Swimmer-and that is just one of the many skills a member displays. Meeting every Monday and Thursday nights at St. Francis College, the girls were able to compete against other schools. Under the 'watery direction' of Coach C. Johnson, the girls put forth great effort and enthusiasm to make Bishop Kearney a winning team.

Members of the Swim Team. Sr. Sr. Timothy, is the team moderator.

GET THAT REBOUND

"Did you see that great move? Boy, did she know how to get the ball back to our side! J.V. Basketball has worked their way into the hearts of many basketball fans. Not only have they accomplished much, but with the help of Coach, Sr. Helen Maureen, they surely were a winning team.

Miss Mulligan, Moderator, M. Sullivan and E. Carroll, Team Captains, Sr. Helen Maureen, Coach.

Top row: M. Donahue, J. Kennedy, M. Sullivan, P. Jones, K. Vankoeverden, P. Byrne, K. Flarey Front row: Sr. Helen Maureen, K. Green, E. Carroll, J. Luby, A. Burke, S. O'Brien, J. McLoughlin, Miss Mulligan.

GO TIGERS GO

"We may be small but we've got power" is the slogan for our J.V. Cheerleaders. These girls practiced daily with the help of Mrs. Adamo. At the basketball and volleyball games, the girls truly displayed the #1 Kearney Spirit.

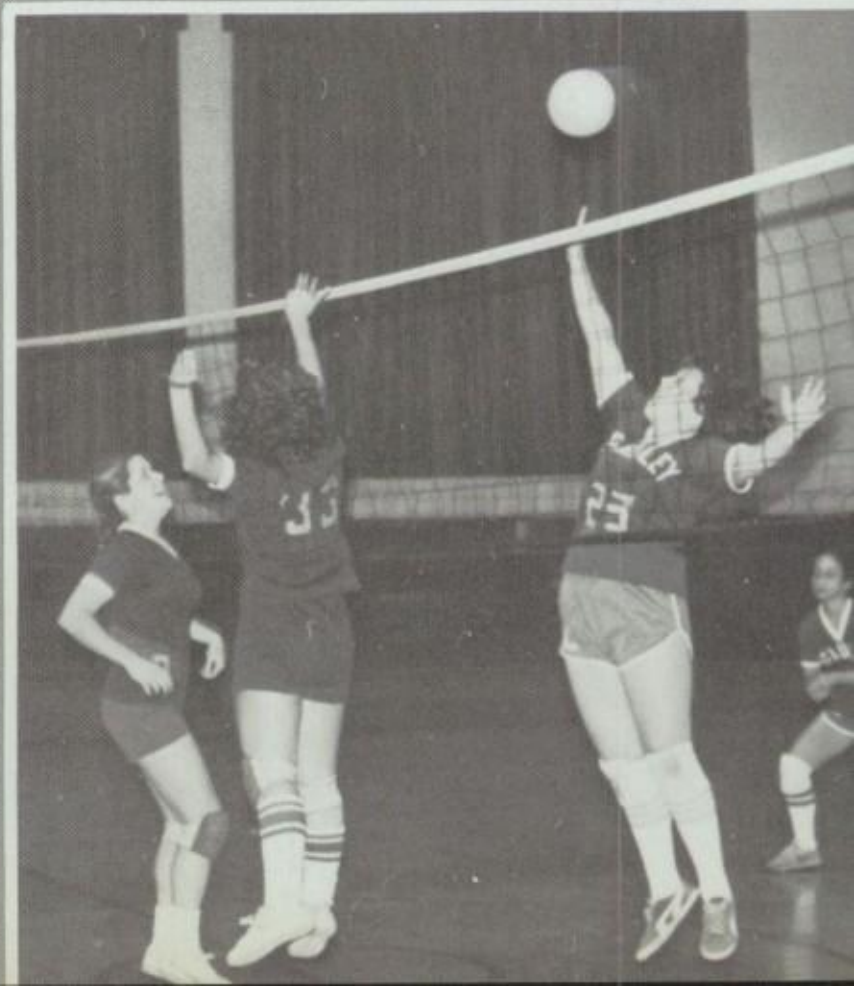

Front Row: M. Lynn, C. Storcks, M. Mills, C. Castello P. Nieves, M. LeComte. Back Row: M. Carey, E. Sweeney, I. Fulmine, N. Curtin, Mrs. Adamo (moderator) J. Pronze, B. Carey, S. Apolito.

OVER THE NET

Rotate! Serve! That's the girl, you can do it! These cheers and many others were heard during a typical Kearney volleyball game. The girls, with the help of Ms. Grace Hansen, were fantastic. In fact they were so great the team achieved the title of **Brooklyn Champs**.

Front Row: L. Zurcher, M. B. White (captain), Ms. G. Hansen (coach), D. Soldano (captain), L. McLaughlin (official) Second Row: J. McKenna, C. Reilly, C. McDonough, A. Myszak Third Row: M. McLaughlin, J. Tripi, M. Soliu, K. Murach, and C. McConnell

BATTER UP

"One-Two-Three Strikes You're Out At The 'Ol Ball Game." This is a typical statement heard by many Kearney softball players. But what makes a Kearney ballplayer different from anyone else is "spirit." The one who's responsible for this is the team manager, Mr. Russo. He has helped the team enjoy the game and also compete successfully.

HEY! LOOK AT OUR TEAM

"We're not only #1 but we're B.K. 1980 and we're the best year yet." With Miss Gerlach's helpful hints, the Kearney Cheerleaders have performed their very best. They will always be #1 in our book.

C. Carson, M. Siliare, S. Melanie, L. Materina, M. Salumn, D. Castania, M. Tobin (Co.-Capt.), C. Morrissey (Capt.), A. Miller, D. Smerina, M. Lagetta, E. Cunny, T. Deprasino.

SHOOT THE HOOP

Take a few terrific basketball players, put them together and what do you have? Naturally, you have a great team. But fill those players with school spirit and that B.K. glow, the result is Bishop Kearney Varsity.

Dribbling the ball down the court is not easy. However, with the fantastic coaching of Ms. Hansen, along with the constant hard work and effort of the girls, our B.K. team was #1.

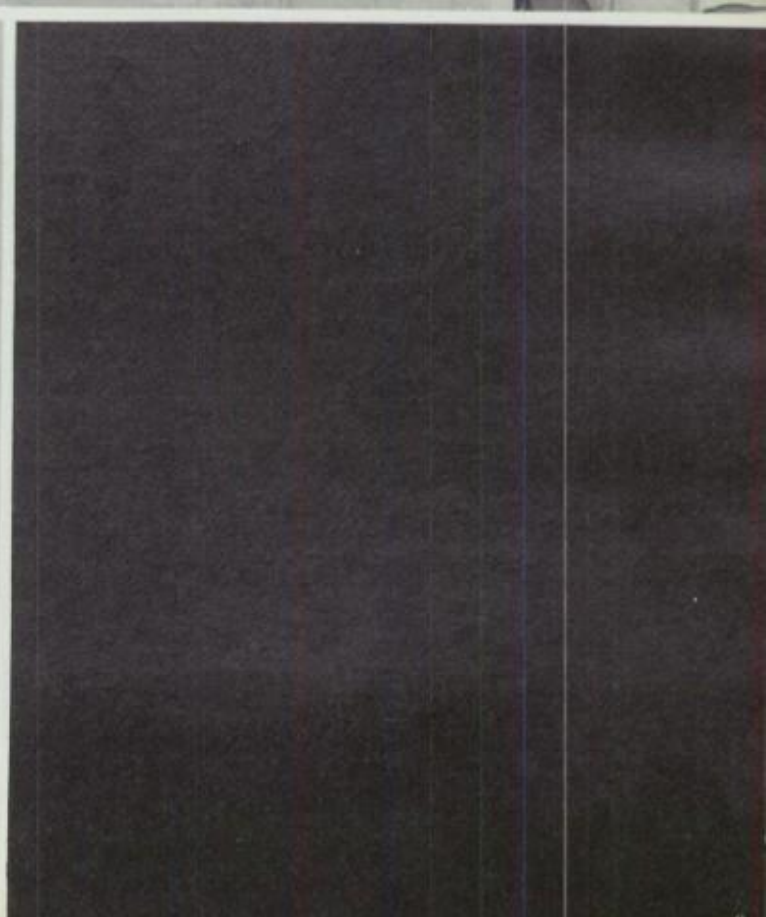

Front Row: J. Antonelli, G. Higgins, B. Paguaga, F. Berrillacio, C. Greaney Top Row: Ms. Grace Hansen (coach), K. Murach, T. Pantalleo, T. Chiaia, E. O'Neil, D. Burns, J. Donahue, D. Pellegrino, Sr. Dolores McMahon, (moderator).

MEMORARE

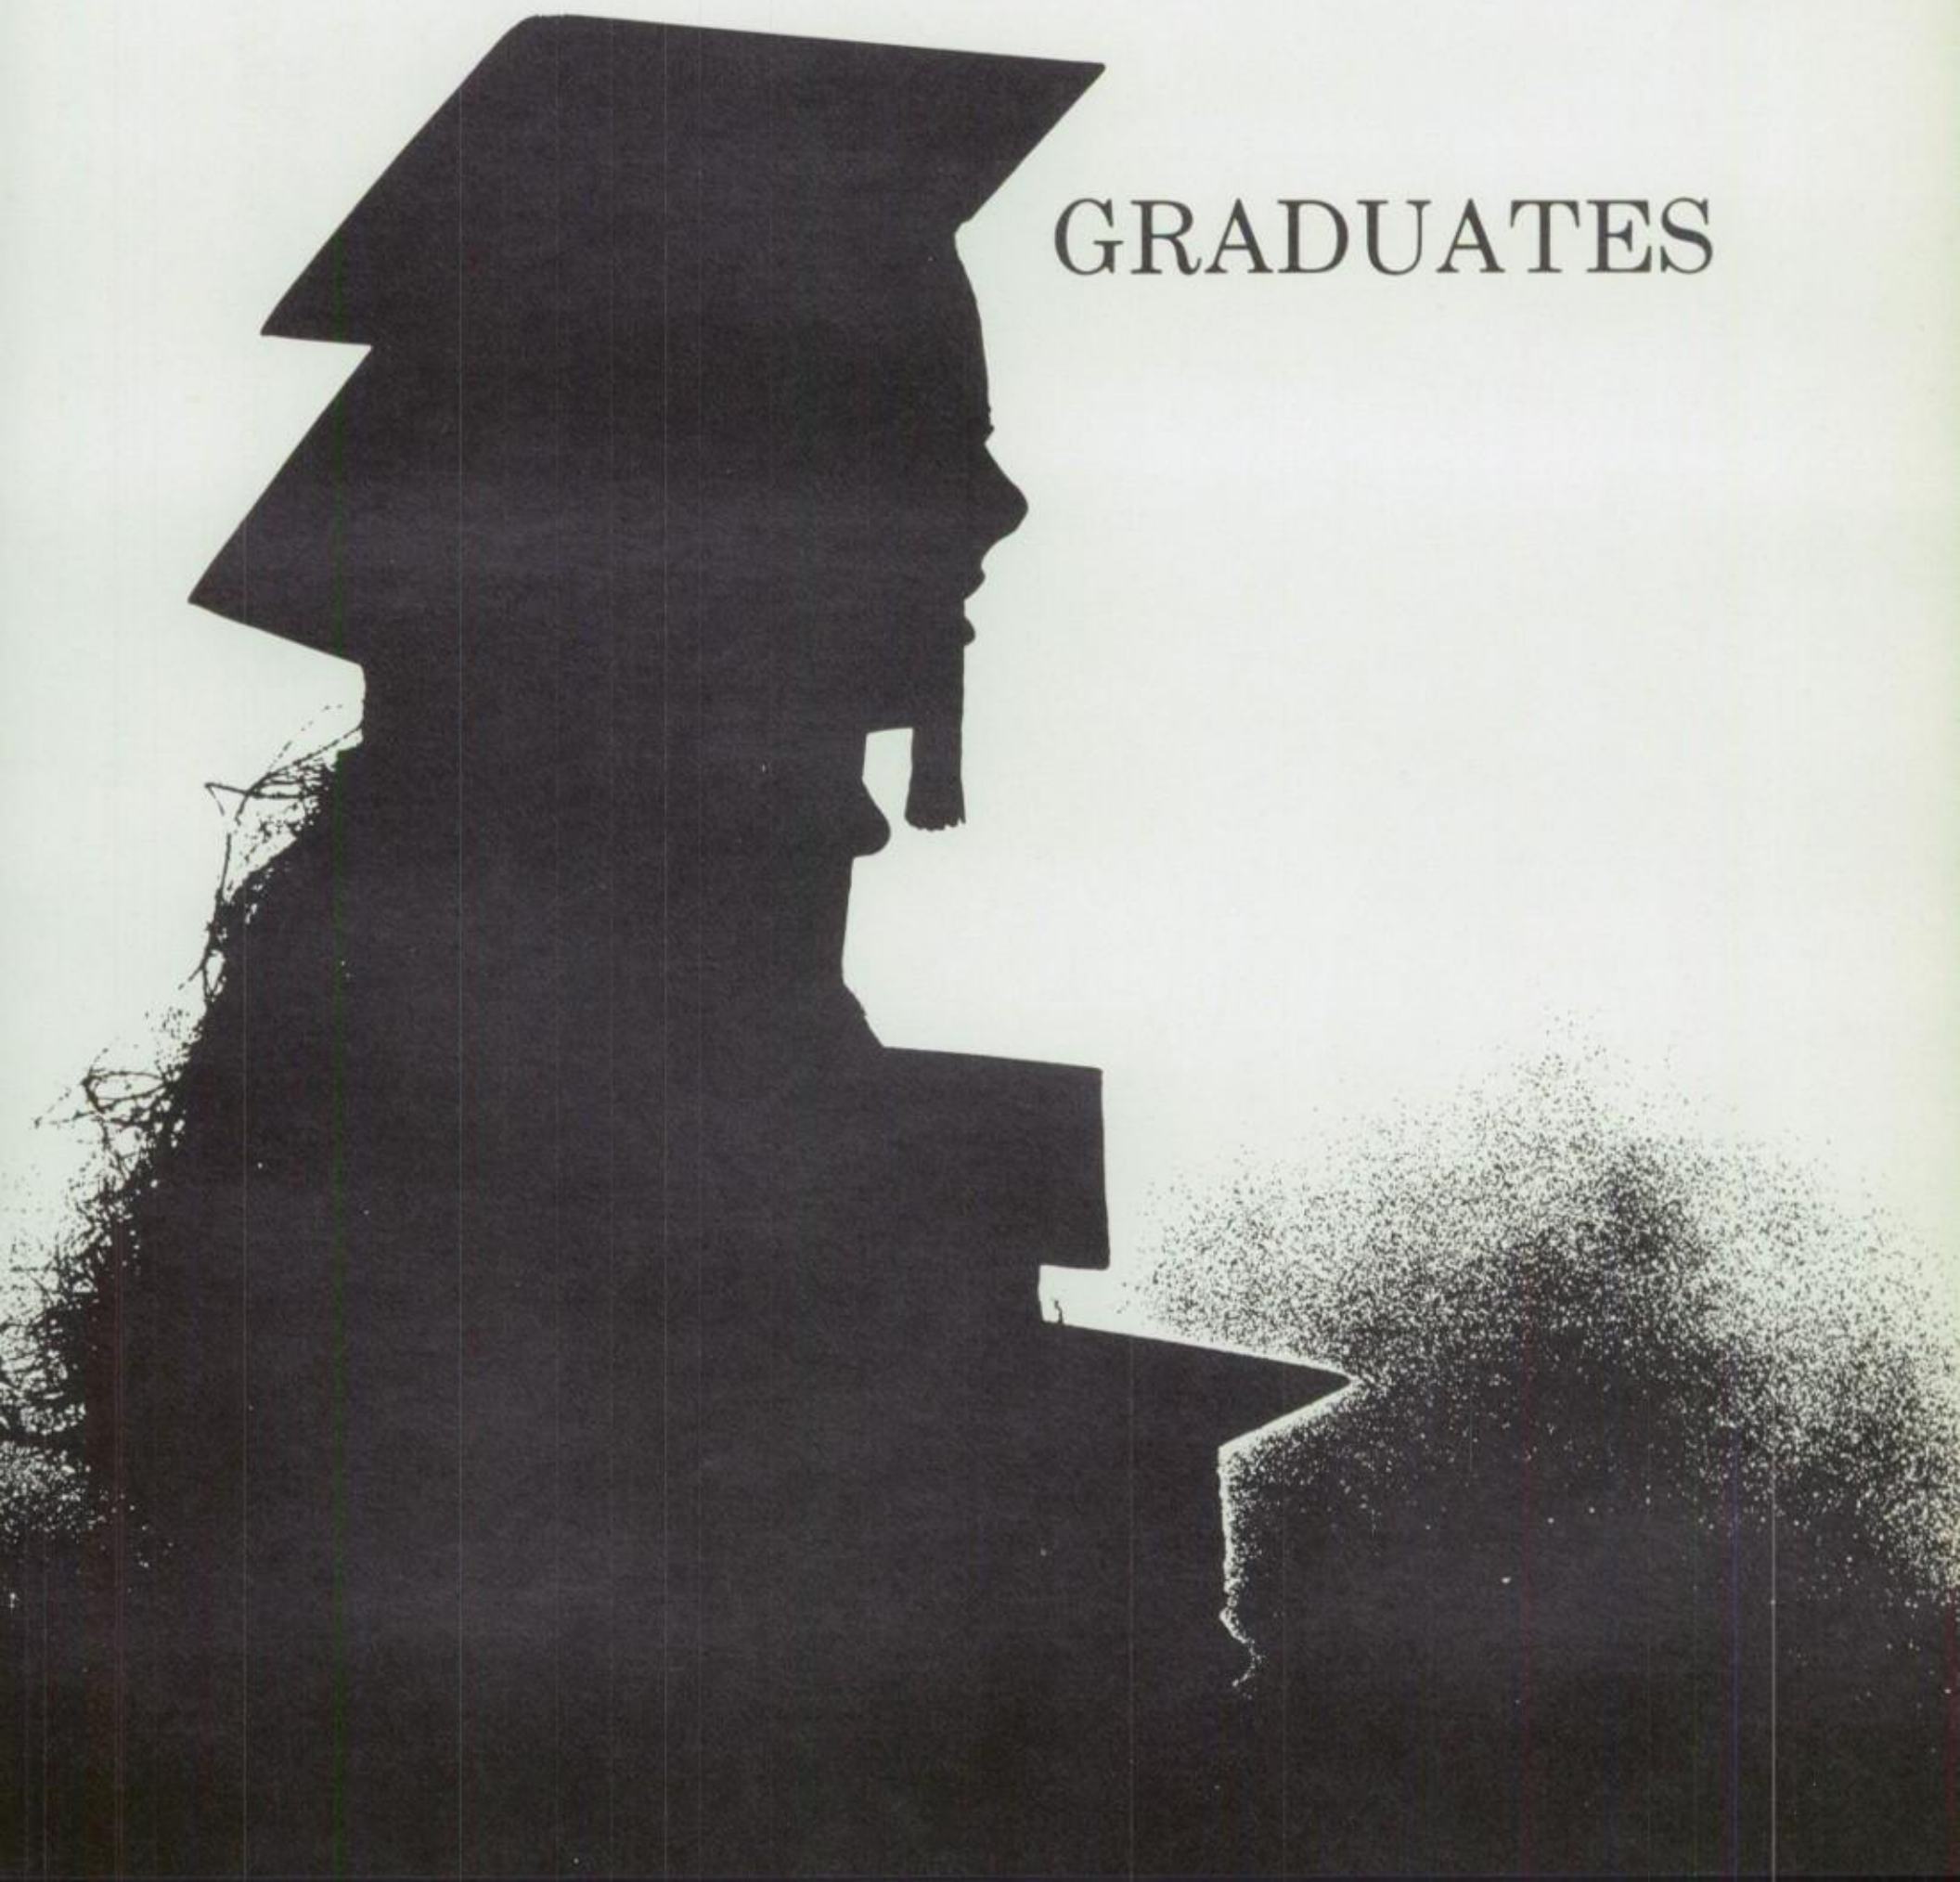

The memories for tomorrow
captured in the pictures of today.
The hours that were spent
to give us something to remember.
The hard work by the editors and their staffs
all for one goal.
The tender patience of Sister Eileen Mc Guire
to help us perfect it.
All of this, to give us a remembrance-
of yesterday-
of Memorare 1980.

Memories are thoughts
from out of the past;
A moment back in time
that could not last.
Thoughts that bring a smile
to the heart and to the mind,
Though there are those
of quite another kind.
Each memory a pearl
drawn from a string;
When we are old
we will have joy remembering.
